Dear Mr. Carr,

Chanelle Acheson requested that I forward to you the attached response to your letter dated December 4, 2017, as well as a copy of the Declaratory Judgment Action that was filed by our local counsel this afternoon and supporting documents. The Court has not generated a stamped-filed copy at this time, we will send you the stamped version once we receive it, likely tomorrow. We have not begun service of process in hopes that we can discuss an amicable agreement prior to undertaking extensive litigation.

Please let me know should you have difficulty opening the attached.
